Pro-Life

Bob Irsik

The Christmas Season is here. While doing your Christmas shopping give some thought to purchasing a baby item or two for donation to WEPS in Daleville or New hope Center in Enterprise. They are always in need of baby items or a cash donation. There are still some WEPS baby bottles in the back of the church for your extra change.

During this season when families gather, take time to pray a Rosary for those who will be brutally killed before they are born. Say a prayer for those who choose to give life to their babies. The only way to stop abortion is to pray for its end and stand up and be heard. Write a letter to your Senator and Representative and demand they put an end to abortion.
